

MONTHLY MEETING  
WEDNESDAY

Our meeting will be held at the International Center of Photography (ICP) at 5th Avenue at 94th Street. Dennis Stock, our guest this month, will speak to us about his photography. Mr. Stock is presently having a show at ICP and we are all invited to arrive a little early in order to have time to view his show. The meeting will start at 6:30 pm.

UPCOMING

March 30th: David Eisendrath is coming to the Sierra Club to lecture.

April 27th: A tentative technical meeting with opportunities to discuss any member's camera or photography problems.

BE ON FILE

The photofile list is growing slowly. However, we would like to have ALL members submit their lists in order to have a more complete file. Don Young is working at setting up an indexing system which will enable the proper photographic subjects to be extracted whenever the Sierra Club receives a call for photographs. The photographers who submitted those subjects will be contacted and will have a chance at publication for profit.

It has been decided that a standard fee of 20% of the profits made through this service will be donated to the New York City chapter of the Sierra Club.

Please submit your completed photofile list to Don Young as soon as possible. You may obtain the photofile sheets from Don at any of the monthly meetings.

## GATEWAY EXHIBIT

The committee is beginning to assemble a photo exhibit based on the Gateway National Recreation Area. The month of September has already been allocated at the Community Gallery, 28 E. 35th Street, for this exhibit. Black and white and color photos made at the following locations are needed: Jamaica Bay, Breezy Point and Jacob Riis Park, New York; Sandy Hook, New Jersey; and Great Kills Harbor, Staten Island. Please submit your photos or slides to Sol Gins, Ted Mason, or Susan Saltman.

Photographs selected for this exhibit must be printed by the photographer at his or her expense. The breakdown for money earned through print sales during this exhibit is as follows: 30% to the Gallery, 20% to the Sierra Club, 50% to the photographer. The Community Gallery is currently running a photography exhibit which may interest some of you.

## ROOM AT THE TOP

The abstracts committee has gathered a very exciting collection of images which fits its criteria of "Abstracts in Nature". However, there are more areas to be explored. Perhaps you have an image in your files or a latent image in your mind that is needed to complete this future exhibit. Submit these to Ted Schiffman.

## B.U.G.

"Walk in the Wild" is presently on exhibit at Brooklyn Union Gas, Montague Street, Brooklyn from 8:30am to 5:00pm, Mon. through Fri. until March 1st. If possible, see it there.
