MONTHLY MEETING
WEDNESDAY
MARCH 30

David Eisendrath is guest speaker this month. He is one of the foremost technical experts in industrial photography, an excellent photojournalist, and a freelance writer for various photo magazines including Modern Photography. Mr. Eisendrath's topic on the 30th will be "Gremlins." He will show us how to detect camera problems and defects by analyzing the photographic results.

COMMUNITY GALLERY
6:30 PM

Since the Sierra Club offices are in the process of moving to a new location, this monthly meeting will be held at the Community Gallery, 28 East 35th Street, at 6:30 pm.

UPCOMING

April 27th: A movie entitled "The Weapons of Gordon Parks," a former Life photographer. Afterwards a technical rap session will be held.

IMPORTANT!
FIELD TRIP
SUNDAY 10 AM
MARCH 27

The Photography Committee is organizing a field trip to Gateway National Recreation Area this coming Sunday, March 27. This trip will enable interested members to get together and record their impressions of Gateway for the upcoming Gateway Exhibit.

All those who plan to join us on this field trip please meet in front of 50 West 40th Street (old Sierra Club office entrance) on Sunday at 10am. Cars will be greatly appreciated because subway connections to Gateway are difficult.

GATEWAY EXHIBIT

As soon as possible, please submit slides or photos for the photoexhibit based on Gateway National Recreation Area. The month of September has been allocated at the Community Gallery, 28 E. 35th St., for this exhibit. Black and white and color photos made at the following locations are needed: Jamaica Bay, Breezy Point and Jacob Riis Park, New York; Sandy Hook, New Jersey; Great Kills Harbor, Staten Island. Please submit your photos or slides to Sol Gins.

Photographs selected for this exhibit must be printed by the photographer at his or her expense. The breakdown for money earned through print sales during this exhibit is as follows: 30% to the Gallery, 20% to the Sierra Club, 50% to the photographer.

ATTENTION

Any new members who would like to receive this newsletter, please submit six (6) stamped self addressed envelopes to the Photography Committee c/o Sierra Club.

Members with envelopes will be notified when their last envelope is mailed to them.

ROOM AT THE TOP

The "Abstracts" committee has gathered a very exciting collection of images which fits its criteria of "Abstracts in Nature". However, there are more areas to be explored. Perhaps you have an image that is needed to complete this future exhibit. Submit these to Ted Schiffman.

"WALK IN THE WILD"

This exhibit will be opening at 6pm on Monday April 11 at Fairleigh Dickinson University, Rutherford, New Jersey. It will be there for one week.

FIVE RIVERS
PHOTOGRAPHY
CONTEST

A photography exhibit is being compiled in order to generate public and congressional support for the inclusion of five rivers of the Northeast into the Wild and Scenic River Act of 1968. The rivers are the Saint John, Penobscot, Housatonic, Shepaug, and Upper Delaware. The exhibit must show them "in all their tender and turbulent phases.... their fragility as well as their potential for being destroyed." This exhibit, which will initially travel to universities, will ultimately be published in book form.
