Vol. 1, No. 12

THIS IS A COMBINED TWO MONTH ISSUE, JULY AND AUGUST

MONTHLY MEETING
WEDNESDAY
JULY 27

The regular monthly meeting will be held at 6:30pm at the Sierra Club office, 800 Second Ave., near 42nd St. This meeting will feature two excellent films: The Photographer and This is Edward Steichen. Try to attend.

MONTHLY MEETING
WEDNESDAY
AUGUST 31

This meeting will be devoted to the upcoming Gateway Exhibit. All active committee members and any interested volunteers who would like to serve on a committee are asked to be present at this important meeting. Arrangements will be finalized at this time for the show is scheduled to open at the Community Gallery, 28 E. 35 St., on September 14th. All Sierra Club members are invited to see the show on opening day.

The deadline for submitting slides or photos for the Gateway Exhibit has been set for the July 27th meeting. Please bring your work in next Wednesday or see Sol Gins to arrange a time to review it.

Black and white and color images made at the following locations are needed: Jamaica Bay, Breezy Point, Jacob Riis Park, Sandy Hook, and Great Kills Harbor.

Photographs selected for this exhibit must be printed by the photographer at his or her expense. The breakdown for money earned through print sales is as follows: 30% to the Gallery, 20% to the Sierra Club, 50% to the photographer.

UPCOMING

September 28: Unscheduled as of this printing.

October 26: A selection of new chairpersons for the new year (1978). Any volunteers or suggestions of volunteers please be made known.

NEW PROJECTS

A few requests have been made to the Sierra Club office for slide shows showing different outdoor activities. We would like to form committees to get together a few slide shows with appropriate script on such subjects as backpacking, camping, hiking, trail maintenance, etc. Any volunteer to start the ball rolling?

"Why the Sierra Club" slide show needs to be updated. A chairperson is required to help get this job organized and finished as soon as possible. Please volunteer.

"MARSHES AND
TIDAL WETLANDS"

A list of specific photos is being prepared by Dianne Akers for this slide show. As soon as that list is available you will be informed. Anyone who is willing to take on this challenging assignment, please let Dianne know.

"ABSTRACTS
IN NATURE"

This slide show is presently being shown to potential exhibitors. If you have any exhibitors in mind who might be interested in seeing this collection, please contact Ted Schiffman or Susan Saltman. Any additional abstract images can still be submitted.

PHOTOFILE

More members have sold photos through this Sierra Club service. Please give your photofile list to Don Young as soon as you can. You can obtain the sheets from Don at any of the monthly meetings.

FIVE RIVERS

A photography exhibit is being compiled in order to generate public and congressional support for the inclusion of five rivers of the Northeast into the Wild and Scenic River Act of 1968. The rivers are the Saint John, Penobscot, Housatonic, Shepaug, and Upper Delaware. The exhibit must show them "in all their tender and trubulent phases...their fragility as well as their potential for being destroyed." This exhibit, which will initially travel to universities, will ultimately be published in book form.
