Andy Katz

Around the World in One Hour with No Jet Lag

The photographs created by Andy Katz have taken him around the globe. From the Old Country in Eastern Europe to the California wine country, which he now calls home, his subjects are as diverse as his travels and adventures.

The images in Andy's dozen or more coffee table books have been described by vintners, photographers, critics and readers alike as breathtaking. His evocative work is displayed in museums and galleries worldwide including in his own galleries in Boulder, Colorado, and Healdsburg, California. Andy's imagery has been featured on album covers of both the Doobie Brothers and Dan Fogelberg.

Each journey for Andy is a new exploration of images. He discovered his passion for photography at a young age and is now a member of Sony's Artisans of Imagery, one of only a dozen or so photographers chosen to represent Sony's new cameras.

Visit Andy's website at <http://andykatzphotography.com/> to see more of his images.

From the Chairs

As we approach this busy holiday season, our exhibit, ***In Pursuit of Nature***, tops the list at the Ryan/Chelsea-Clinton Health Center, 645 Tenth Avenue (between 45th and 46th Streets). The opening reception will be on Wednesday, November 11, from 6:00–8:00 pm. We look forward to seeing everyone. The exhibit will continue through Tuesday, February 9, 2016. A great big thank you to all those who have worked so hard putting this together.

The fall season is one of our most colorful and our plentiful city parks offer wonderful photo ops and pleasant walks.

Charles Dexter takes us to great locations and has expanded our trips with weekday hikes as well. Plan on joining us for one of these hikes.

Nancy Langer has worked diligently to obtain speakers and we appreciate her efforts.

Before the snow and cold make their entrances, we encourage you to indulge in the vibrant colors of our beautiful fall season and prepare some of those images for the next **Members' Night** on December 16.
